# JAZZ NIGHT

January 13, 2022 at 7PM • Lasker Performing Arts Center

Jazz Workshop, Tiger Bebop, Jazz Ensemble

Designed by Design and Visual Communications Students • Printed by Graphic Communications Program

Welcome to Winter Jazz Night!

I am thrilled to welcome you to the first of our two Jazz Nights for the 2021-2022 school year. There has been much excitement and preparation leading up to tonight's concert. It really is great to be back making music together and sharing it with an audience!

The Newton North jazz program consists of Jazz Workshop, Rock Workshop, Tiger Bebop, Honors Jazz Ensemble and Advanced Jazz Improv. Rock Workshop and Advanced Jazz Improv occur during Semester 2 and will thus perform on the Spring Jazz Night on April 13<sup>th</sup>.

The North Jazz Program curriculum focuses on various genres within the jazz idiom with a balanced perspective of both older and newer influences of the jazz spectrum. Much focus is given to the understanding of creativity and individuality as a function of the jazz tradition. Our purpose is to not only study and understand the historical origins of the music but to also consider our own modern perspective as a basis for the musical interpretation we present in our performance.

Concert Night is our opportunity to present what we've learned as well as celebrate in the musical interplay of musicians and audience. And for that, we are thankful for your participation in our performance experience!

Sincerely,

Richard Labeledz  
Director of Bands and Jazz
